

Ms. Aditi Kare Panandikar

**Whole-time Director, Indoco
Remedies Ltd, Mumbai, India**

Aditi Kare Panandikar is a third generation entrepreneur with sharp business acumen and technical skills. She is a Pharmacy Graduate, holds a Masters Degree in Pharmaceutical Administration & MS in Pharmaceutical Science from Ohio State University, USA. She is the Whole-time Director at Indoco Remedies Limited and is successfully handling key functions, viz., Domestic Marketing, Business Development, Technical (R&D and QA), HRD and the API Business. Her dynamism and hard work has been instrumental in various milestones that the Company has achieved. Indoco has forayed into the Regulated Markets & API Business, thanks to her risk taking appetite and determination. Her leadership skills, foresight and business strategies have seen the company's exports zoom up by 90% within a span of last 3 years. She travels extensively and has forged a number of business alliances for the Company.

Under her astute leadership, Indoco commands a strong presence in Domestic Market and has earned the reputation of a quality driven & reliable organization, across the globe. She is a kind and approachable person with high human values. The perfect blend of western education with Indian values has given Aditi, the strength to maintain a perfect balance between family and profession.
